

# Harvest Prayer

Dear God,

Thank you for all the food we have.

Thank you for sending the sun and the rain to help crops grow.

Thank you for farmers who grow and harvest the food.

Thank you for people who work in the shops where we buy our food from.

Thank you for grown-ups who cook us delicious meals.

We think about people in the world who don't always have enough to eat.

We pray that these people won't be hungry anymore.

Amen

Write a prayer saying thank you for the harvest. You could say thank you for your favourite food, for how food is grown or for the people who grow the food. You could pray for people who don't have enough to eat or drink.
